What is KOMBUCHA?

什么是康普茶

It is alive! Kombucha is made of living microorganisms and active bacteria that does wonders for your body. It BALANCES the "good" and "bad" bacteria in your gut and is regarded by many as a "wondrous" super drink.

Kombucha is a naturally fermented probiotic tea comprising of four ingredients - organic tea + water + organic sugar + SCOBY (symbiotic culture of bacteria and yeast).

天然发酵益生菌！康普茶是由活性微生物和活性良菌组成，可为您的身体带来奇迹。它可以平衡肠道中“好”和“坏”的细菌，被许多人视为“奇妙”的超级饮料。

康普茶是一种天然发酵的益生菌饮料，由四种成份组成 - 高品质茶 + 水 + 有机糖 + SCOBY (良菌和酵母的共生培养物)。
